Gift of PAIRing™/(w)Role Play/Soul Play

In Gift of PAIRing™ participants explore the relationship of how our (w)holes determine the roles we play in life. When we can move from “(w)Role play” to “soul play,” we remove all the excuses we have to love ourselves for real and to truly give and receive love from others.

In Gift of PAIRing™, participants further explore the Wisdom dialogue (based on the Imago Relationship dialogue created by Harville Hendrix and blended with the Wisdom WAY by Alaya Chadwick) to identify the hidden (w)holes and portals within. During this 1-day intensive seminar, participants will learn how to move from (w)Role awareness and perception into fluid freedom and transparent gratitude. In particular, students will:

- Reveal the Soul Love Gifts they have been given
- Relax into the Soul Play of each encounter with another
- Reveal how every interaction contains within it only one invitation: to receive more love
- Unveil the secrets of their heart’s (w)Role Play
- Discover how they are a Soul-Love Gift to everyone with whom they interact
- Surprise themselves with the generosity of Soul

In Gift of PAIRing™, students will learn

- The mystery of (w)Role Play
- The secret of allowing (w)Roles to evaporate
- The freedom of fluid transparency as Soul Play
- How to explore the soup of Love we are all playing in
- The relationship between (w)Holes and (w)Roles
- The skeleton inside the Wisdom Dialogue process
- How to apply the Wisdom Dialogue skeleton in a triad format
- The portals of Shame, Blame, and Hard-heartedness

There are no pre-requisites for Gift of PAIRing™.
